Guide: Here is the rainforest area. This area is as popular as the aquarium. Let's go inside.

Tom: Oh, it's very hot inside.

Guide: Yes, it is. It's as hot as the real rainforest in South America.

Yumi: Look! There are colorful butterflies here! There are beautiful birds, too!

Guide: Yes, we have as many birds as butterflies in this area.

Guide: We have many kinds of snakes and frogs in this area.

Karen: I like these yellow frogs. They're cute.

Tom: Look. Those frogs are more colorful than these.

Guide: They are beautiful, but some colorful frogs have strong poison. Next is the snake section.

Karen: To me, snakes are more dangerous than frogs. Tom, walk more slowly. Are you afraid of snakes?

Tom: Not really. This snake is not so long.

Karen: How about this? This orange snake is longer than the blue one.

Tom: Oh, no!

We went on a field trip to smit Golden Gate Park.

We visited the California Academy of Sciences in the park.

Museum: This museum is the most popular in the park.

About 1.2 million people visit the museum every year.

History : It is the oldest museum in California.

The museum opened in 1853.

Exhibits: We visited the aquarium, the rainforest area, the planetarium and the natural history museum in the building.

I liked the rainforest area the best.

Yumi : Do you have any plans for the summer vacation?

Karen: I'm going to go to a summer camp in San Francisco. How about you?

Yumi : I don't have any plans.

Karen: Well, my uncle and aunt live in New York. Do you want to stay with them?

Yum : Sounds nice, but I'm not sure.

When I was talking with Karen at school, she told me about my homestay in New York.

I was surprised when I heard about it.

After I finished dinner, I called her and we talked about her proposal.

She said, "My uncle and aunt are looking forward to your visit.

My cousin Kevin is really kind."

Before I talked with her, I was nervous, but now I'm excited!

What will my parents think about it?
