5	<p>I think that apartments are better. First, I think that houses are more expensive than apartments. If people live in an apartment, they can use their money for other things. Also, these days, many people live alone. If you live alone, you do not need a lot of space. Therefore, I think people should live in apartments.</p>

5	<p>Twelve years old is the best. To start, it is important to learn your own language first. Twelve-year-old children know how to read and write already. This makes it easier for them to learn a new language. Also, they understand why English is important. Many young children do not know this, so they do not try hard.</p>

5	I am interested in the library. What time does it close? How many people can study there? About your question, I think cafés in libraries will become popular in the future. When people spend long hours in the library, a café is a good place to take a break.
6	Yes, I think it is a good idea. I have two reasons. First, students can develop good habits. It is easier to set aside time to make study habits if they get up early. Second, students can focus more on their studies in the morning. They will feel refreshed and ready to study after sleeping all night.
